### SUGAR MARKET WON'T LOOSEN

Tension of Waiting For Congressional Action Still Holds.

Sugar sales were as hard to find as hen's teeth this morning, and only three were reported after the Stock Exchange session. Five more were noted as being consummated between boards.

The tension as to action on the sugar tariff by the Senate Finance Committee is tighter than ever. Yesterday's dispatches from newspaper correspondents indicate almost beyond possibility of change that no reduction of more than 33 1/3 per cent. can be agreed upon, with the heavy probability in favor of a less reduction, and then the further probability in either case of a deadlock between House and Senate. Still, the sugar-buyers and -sellers are waiting until action is really taken.

Five Hundred Hawaiian Commercial at \$45 was the biggest sale noted since yesterday. This was between boards. On the board a sale of no small proportions was 195 Hawaiian Pineapple at \$41.50.

### MAKE FOURTH DAY OF SPORTS

"Following out the suggestion made some time ago by the Bulletin that the Fourth of July celebration in Honolulu should be a day of sports," said James Lloyd this morning, "I want to speak for the Healanai Boat and Yacht Club, and state that they are willing to enter three or four boat crews for Naval Day races." Mr. Lloyd is crew coach for the Healanis.

"The races need not be considered as championship affairs, as are the Regatta Day races, but as entertainment and sport for everyone enjoying the holiday," he continued. "No doubt, following the swimming races of June 11th, it would be easy to arrange also for swimming races on the Fourth. I believe the Healanai swimmers would enter, although I can't speak as emphatically about this as in regard to the boat crews."

"It seems to me a day of sports is the only kind of celebration that will offer entertainment to everyone and at the same time be easily arranged. If the mercantile district wanted to do something towards having a program made up for the Fourth, they could encourage such action greatly by offering suitable trophies to the winners of the events. I want to repeat that you can count on the Healanis doing all in their power to make such a Fourth of July celebration a success," Mr. Lloyd concluded.

### LOCAL JAPANESE PLAN EXCURSION

Three Hundred to Leave Here For Trip to Nippon and Return.

By a special arrangement made between Y. Tasaka, Japanese tourist agent, and President S. Asano of the Toyo Kisen Kaisha Steamship Company, an excursion trip will be made to Japan on the new liner Shinyo Maru, which will leave this port for the Orient on May 24. Taking their departure for the "Land of the Cherry-blossoms," and under the guidance of Mr. Tasaka, 200 local Japanese, principally plantation laborers, will sail for Japan on that day. They will spend about two months in Japan, visiting all points of interest. This done, they will return to Hawaii on July 16.

The purpose of this excursion trip is to enable the local Japanese who are desirous of returning to Japan, on a short leave of absence, to visit with their families and to see all the famous resorts of the island empire.

The cost of making the trip, per head is \$170. This will cover the traveling expenses during the two months.

**Asano to Receive.**  
Arriving in Japan, the 300 Japanese, headed by Tasaka, will be the guests of honor at a tea party to be given at the beautiful gardens of President Asano of the Toyo Kisen Kaisha in Tokyo. From there they will proceed to the various points of interest.

**Uyeno to Leave.**
